

Career Expo Information Sheet:

Culpeper County Public Schools and the Culpeper Chamber of Commerce will host a Career Expo on Thursday, November 12, 2009 at the Daniel Technology Center in Culpeper.

The Junior and Senior classes from Culpeper County High School will be attending in the morning. School buses will take seniors from CCHS in the first shift and CCHS juniors in the second shift. Students will spend one hour with four different local businesses. Students will need to return their selection of businesses with their signed parent/guardian permission slip in order to attend. Please return the form/permission slip to the guidance secretary at your high school by Friday, November 6th.

Businesses in attendance represent the following areas:

Banking	Technology	Entrepreneurship	Insurance	Child Care
Nursing	Health Care	Agribusiness	Veterinary	Law Enforcement
Retail	Manufacturing	Non-Profit	Building	Aviation
Engineering	Accounting	Marketing	Education	

Businesses will speak to students about the job outlook, education requirements, training requirements, and leadership opportunities in regards to their particular business. Students will be given the opportunity to ask specific questions if they wish.

We ask that students dress professionally (no jeans). In the past students have made such good impressions on employers that they have been hired for summer internships and eventually jobs after college. All school policies apply and students are expected to be mindful of the fact that they are representing their high school and to please act appropriately.

If you have questions about this field trip, please contact Mr. Chuck Toler, assistant principal at CCHS (825-8310 or ctoler@culpeperschools.org).

Thank you for participating in this wonderful learning experience.

Students: Please return this form by November 6, 2009 to your guidance secretary (CCHS-Mrs. Bruce)
