

Guided Reading Lesson

Grade Level: Kindergarten	SOL: k.1, k.5, k.6, k.8, k.9, k.10
<u>Title:</u> My Earth	
<u>Before Reading:</u> -Predict and Preview Selection: Do a picture walk, identifying each picture and discussing with students what makes each landform. -Ask for and/or provide background knowledge-discuss to find out what students know about landforms -Vocabulary instruction/preview (if needed for unknown words) mountain, lake, valley, river, plains, hill, earth	
<u>During Reading:</u> <u>Word Work</u> Identify and read the sight word my. Vocabulary: look at the pictures/rebus to help identify each word. -Listen to Individual Reader: Choral read the book. <u>Guiding Questions:</u> What are the differences between each landform? Where can you find each of the different landforms?	
<u>After Reading:</u> - <u>Reading Response Journal:</u> Draw about a landform they read about - <u>Re-telling/Comprehension activities:</u> Use play doh to make a model of a landform on earth.
