

## Guided Reading Lesson

Grade Level: Kindergarten	SOL: k.1, k.6, k.8, k.9
<u>Title:</u> Thank You!	
<u>Before Reading:</u> -Predict and Preview Selection: discuss the photographs of the plants and animals and their products. -Ask for and/or provide background knowledge: children discuss their individual experiences with each plant or animal. -Vocabulary instruction/preview (if needed for unknown words): Thank you, vine	
<u>During Reading:</u>  Vocabulary: Identify the vine as a plant that grows in a variety of directions.  -Listen to Individual Reader: Have the children read the book chorally using the pictures as clues.  <u>Guiding Questions</u> Where do we get food? Where does your favorite food come from? Why does it read Thank you on each page?	
<u>After Reading:</u> - <u>Reading Response Journal:</u> Draw and write about your favorite food and where does it come from?  - <u>Re-telling/Comprehension activities:</u> Match the plant/animal product with it's source.
